Good afternoon Counsel,

I called Plaintiff's Counsel this afternoon but was unable to reach anyone but I was able to speak with Mr. Wyatt on the Defendant's side regarding what is going on in this case. The Court notes that there were several other pending related GreatGigz cases and that there has been relatively no continuity between the cases...

However, the Court notes that there is a pending MTD in the Maplebear case. After reviewing the docket, we noticed that there were competing proposed scheduling orders with the Defendant's order suggesting stay until resolution of the MTD. The Court issued a new standing order regarding venue related Motions that states that the Court will indeed stay cases until resolution of venue related motions. I advised Mr. Wyatt during our call that the Court would like Defendant to file a Motion to Stay case pending resolution of the Motion to Transfer, since this is the Court's preferred method of staying cases as opposed to the proposed scheduling order that Defendant had submitted.

As such, please notify me when you have filed the Motion to Stay which I assume will likely be opposed. Please let me know if you have any questions.

Best,
Hannah
